LLOYDS BANKING GROUP MBA PROGRAMME

Lloyds Banking Group is proud to be one of the UK’s leading financial services companies with over 100,000 employees and serving over 30 million customers. While our business is focused on the UK, we also have an international presence in countries that have a strong relationship with the UK. We are playing our part in building a strong, sustainable economy for the future.

What all of this means is that the MBA programme at Lloyds Banking Group offers the size, the scope and the sheer diversity you need to let your ambition truly flourish.

FUTURE EXECUTIVES PROGRAMME

We created our Future Executives Programme with one clear aim – to turn exceptionally talented, ambitious experienced MBA professionals into leaders who can make an impact at the heart of our business.

We are looking for people who can bring an impressive array of skills to the organisation. Talented and innovative thinkers who are eager to take hold of their own careers and who can inspire others and put our customers at the heart of their work.

If you have excelled during your time on the programme, bigger and broader opportunities will present themselves. This programme will be the first major step towards a lasting and successful career with Lloyds Banking Group.

If you’re an exceptional MBA qualified individual, our programme will give you the freedom and support to thrive. You’ll also find all the opportunities you need to build a long and rewarding career.

If you can match these qualities with boundless ambition, there’s just one thing to do. Apply. Please note this programme requires candidates to have the indefinite right to remain in the UK as set out by the UK border agency.

FUTURE EXECUTIVES PROGRAMME – GROUP WIDE

If you’re an exceptional MBA qualified individual with an array of skills then through two rotational placements, each lasting a year, you will develop a deep understanding of how we work. You will get to see the challenges we face and most importantly develop the skills you will need to become an invaluable leader for the future in the Group.

These group wide rotational placements will be leadership roles across the group in particular in the Commercial, Community Banking, UK Wealth and Marketing, Digital and Telephone banking divisions.

FUTURE EXECUTIVES PROGRAMME – GROUP FINANCE

The Finance-specific programme aimed at experienced Finance professionals (or individuals who can demonstrate strong finance acumen). If you’re an exceptional MBA who has the desire to pursue a career within our Finance Division please select the ‘Future Executives Programme - Group Finance’ option when applying.

Within ‘Group Finance’, individuals will get to see the challenges faced within the Lloyds Banking Group Finance division and develop the skills needed to become an invaluable leader.
